

### **Specification Amendment**

After the paragraph beginning on page 14, line 7 and ending on line 8, insert the following paragraph:

FIG. 36 is a schematic crosssectional view of another embodiment incorporating flared inter-pole openings.

Since no changes have been made to the claims, they are not reproduced here.

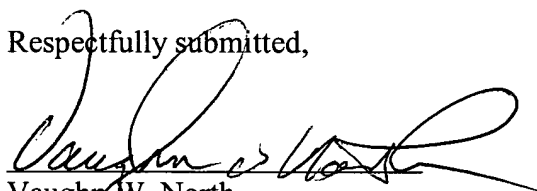

### **CONCLUSION**

The above specification change was made in response to the notice of drawing inconsistency with specification, issued by the Publishing Division on June 6, 2005. In light of the above amendment, Applicant respectfully submits that the present application is now in condition for allowance. Therefore, Applicant requests that the objections be withdrawn, and that the claims be allowed and passed to issue. If any impediment to the allowance of these claims remains after entry of this Amendment, the Publishing Division is strongly encouraged to call Vaughn North at (801) 566-6633 so that such matters may be resolved as expeditiously as possible.

The Commissioner is hereby authorized to charge any additional fee or to credit any overpayment in connection with this Amendment to Deposit Account No. 20-0100.

DATED this 15<sup>th</sup> day of June, 2005.

Respectfully submitted,
